## OFFICIAL TITLE AND SUMMARY

### LOS ANGELES COUNTY DEPARTMENT OF MUSEUM OF ART ORDINANCE

- The purpose of this proposed measure is to enact an ordinance amending Title 2, Chapter 2.92, of the Los Angeles County ("County") Code related to the Los Angeles County Museum of Art ("LACMA").
- The measure purposes adding section 2.92.050, entitled Public Representation, which modifies LACMA's board of trustees ("Board") composition by requiring:
  - the Board to have between twenty and thirty percent public representatives; and
  - the public representatives include the County Supervisor for the Third District, the Councilmember of Los Angeles City Council District Four, and self-nominated County residents, unrelated to Board members and selected by Save LACMA.
- The measure proposes adding section 2.92.060, entitled Request For And Use Of County Funds, limiting any request by LACMA for County funding to a maximum of twenty percent of the total estimated and actual cost for all current and future construction projects and prevents the County from providing funding beyond twenty percent of the cost of such projects.
- The measure proposes adding section 2.92.070, entitled Design Review and Approval Process, which requires LACMA to engage the public on projects on the LACMA campus by:
  - inviting the professional design members of the public to submit proposals through an open design competition;
  - reviewing the submitted designs by the LACMA director, Board, and their appointed design professionals; and
  - selecting winning designs by a majority vote of LACMA's Board.
- The measure proposes adding section 2.92.080, entitled Prohibition of Sale or Collateralization of Art, which:
  - prohibits LACMA, or its representatives, from selling, or using as collateral, any artwork owned by the museum through donation or by purchase; and
  - makes any debt incurred to any outside organization due to actions of the LACMA director or Board their responsibility.
- The measure proposes adding section 2.92.090, entitled Administration and Enforcement, which requires the County Chief Executive Officer ("CEO") and the County Board of Supervisors ("BOS") to:
  - enforce this chapter by promulgating rules, regulations, and procedures to administer and enforce this chapter, including the formulation and implementation of penalties to LACMA, its director, and the Board;
  - annually audit the income and expenses of the LACMA director and Board to verify all revenues were expended lawfully;

- permit the CEO and BOS, after concurrence by the County Counsel, to add administrative rules and regulations; and
  - reasonably audit and examine all books and records of LACMA.
- The measure proposes that if another measure appears on the ballot addressing this subject, it shall be deemed to be in conflict with this ordinance, and if this measure receives more affirmative votes, it shall entirely prevail over any competing measure, which would be null and void.
- The measure proposes that the ordinance shall not be amended or repealed by the County except where expressly provided in the ordinance.
- The measure proposes that if any provision or part of the measure is found invalid or unenforceable, the invalidity shall not affect the application of the remaining provisions.
